Dear Students, Parents and Community Members,

GRIP conference for student Leaders – On Wednesday I had the pleasure of taking four of our students to this conference. It was inspiring for them to be part of this event. Please see their comments in this newsletter.

2020 Governing Council – I would like to thank Bec Thomas, Chris Tagg and Katherine Cottrell who are retiring from Governing Council. We are all very appreciative of their time, effort and their contribution to Governing Council. Our AGM was held earlier this term and it was wonderful to see so many people attend again this year. Governing Council is a vital part of any school and I would like to acknowledge and congratulate the following Governing Council members for 2020:

Continuing Members

Mary Clark - Chairperson

Fiona Young - Secretary

Sasha Drexel – Vice Secretary

David Broderick – Vice Treasurer

Belinda Smith - committee member

Kelly Pearce - committee member

Lynn Rawlings - community member (finance)

Staff rep (Lianne, Nina, Lauren and Dylan to rotate one each term)

Jill Gurner – Principal

New members

Emma Foster – Vice Chair

Rebecca Brind – Treasurer

Taryn James - committee member

Danni Coad - committee member

Stacey Elway – community member

Our next meeting is on Monday 16th March starting at 7.00pm in the Library. Please remember that everyone is welcome to attend our GC meetings.

Leaders Day and Literacy Summit – are two events that I attended last week. Over 1,000 Principals from across the state attended the Leaders Day on Thursday where we were addressed by people including the Hon. John Gardner MP, Minister for Education, Rick Perse, Chief Executive, Department for Education and Susan Cameron, Executive Director, Learning Improvement. The program included three breakout sessions that support learning improvement for all students.

On Friday Lianne Zalac and Lauren Johnson joined me (and more than 1,600 other educators) for the Literacy Summit. The day included some key note speakers and break out session to support learning improvement.

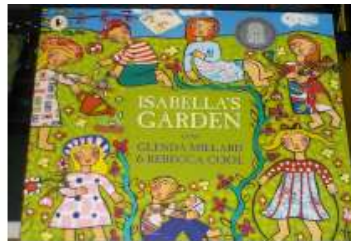

VIP Open Day – is coming up soon on Wednesday 18th March. Students and staff are all looking forward to family, friends and people from our wider community visiting us. Morning tea will be provided. More details are included in this newsletter.

Fundraising meeting – Just a reminder that our first fundraising meeting will be on Tuesday 10th March from 7.00pm – 8.00 pm in the OSB. Please come along if you can.

This week we read
'Isabella's Garden'

The book
is about
a garden
in the
changing
seasons.

We used oil pastels on black
paper.

Some of
us even
drew
sunsets.

We learnt about the horizon,
and in pictures the horizon
meets the sky.

Please visit Rm.2 to see
our wonderful Art.

Eliza: From this experience, I have learnt to *know the way, show the way and to go the way*. My favourite part of the day was loud noises. I have definitely grown in confidence.

JD: I learned about what leadership does, generosity and bringing ideas to life. I enjoyed the segment, loud noises and just being a part of it.

Brayden: I learned what leadership does in the community around us.

Grace: I learnt that being a leader is an ambition not a position. I also learnt the 4-step Guide. The best part for me was when we did the imaginary skippathon and I learnt the scuba dive by Sam. I grew in confidence a lot. I would go again.

Keeping Safe: Child Protection Curriculum

The Keeping Safe: Child Protection Curriculum (KS:CPC) is a child safety program for children and young people from age 3 to year 12. It teaches children to:

- recognise abuse and tell a trusted adult about it
- understand what is appropriate and inappropriate touching
- understand ways of keeping themselves safe.

The KS:CPC is mandated in all public preschools and schools and is taught every year by teachers who have completed a full day KS:CPC training course. It is a world-class, evidence-based child safety program that is used by a range of other Australian and international schools.

More information on this aspect of the curriculum can be found at:
