School Closure Day

Friday 4th September

Pupil Free Day

Monday 7th
September

Dear Students, Parents and Community Members,

Pupil Free Day – Monday 20th July (first day after holidays) is a Pupil Free Day. Hot lunches will be served on Tuesday which will be the first day back for students. Happy Haven will provide OSHC Ph: 81555444.

SWiFT Internet – was successfully connected last week. Staff and students have already noticed the significant improvement. We now have ...

GWIP Fibre(eduCONNECT replacement): **50M** bandwidth
Telstra Internet Direct Fibre (to connect into the existing Dual ISP 2014/2016 or alternate internet filtering solution): **50M** bandwidth

Student Travel Allowance – If you live 5km or more from your nearest Government school you may be eligible for travel assistance. This can include access to an already existing bus service or a car allowance. If you meet the criteria please see me for more information and an application form. Thank you to Tara Lane for bringing this to my attention.

COVID-19 update – Term 3 will see some easing of some restrictions that include the following:

We will trial resuming our assemblies while complying with the minimum social distancing requirements of no more than one adult per 2-square metres in an enclosed space.

Parents can be on school site but not inside classrooms just yet. Each person on site will need to come to the office and complete a COVID-19 declaration form.

We will be able to welcome volunteers back to school on a needs basis and with some regulations and requirements.

Entertainment Book – Please share our newsletter with your friends and relatives so they can support us by buying an Entertainment Book membership which provides lots of easy to use discounts at many venues. Only \$69.99 and you can share it on two devices, so two households can benefit.

Wishing everyone a safe and happy holiday.

Jill Gurner
Principal

Room 3 Maths

Room 3 - Mathematics Project: Bedroom Re-vamp

Students have been working hard to create their dream bedroom. They first needed to research and purchase set furniture items within a budget of \$2500. Once obtaining the set items, students were then able to purchase additional items that they wanted.

The second part of the project was to create a floorplan of their bedroom, using set scaling and measurements obtained from their research.

The final part of the project was to create a three-dimensional representation of their floorplan, again using set scaling. Once students had created their furniture items, they were able to customize their rooms, using their imagination.

In the left corner, you can see a king size gas lift bed with a laptop on it. In the right corner, there is an adjustable desk with two monitors, keyboard and mouse. Next to the desk, you have my chest of drawers, with the window above.

- Riley

Garden Room 1

Room 1 had a fun lesson in the garden. We are learning how plants grow.

We hope to be eating produce from the garden again, in the next few months.

Thank you to Tara for helping us out with the garden and supplying seedlings to plant.

Parent information session about Kindy 2021

Monday 27th July at..

9:30 am OR 7:00pm (in the Kindy room)

We hope you can come along to one of the sessions. It will give you an opportunity to find out how the enrolment process works, collect an information package, learn when pre-entry sessions will be offered and what fulltime Kindy in 2021 will look like!! The session will also give you the opportunity to ask any questions that you may have about "Kindy life". The session will take approximately an hour.

Due to COVID19 restrictions around space & WHS requirements **BOOKINGS ARE ESSENTIAL** & the sessions are for parents only- we will be unable to have children at these meetings. Please let us know if you are coming by contacting Jayne or Gayle 83891335) or emailing Jayne.Cook893@schools.sa.edu.au
