Dear Students, Parents and Community Members,

**Easing of some COVID-19 restrictions** – It is with great delight that we can announce the easing of some of the current restrictions. We will of course need to maintain social distancing and follow other guidelines.

Here is a list of some of the things that we are looking forward to welcoming back in Term 3.

- We can have parents enter our school grounds [all adults must complete a site access form at the office and sign in]
- We are able to welcome our volunteers back to school [all adults must complete a site access form at the office and sign in]
- School assemblies can resume [we will space chairs further apart for parents]
- School sports competitions and carnivals, including inter-school competitions can resume [some restrictions re change rooms]
- school socials and discos can happen [we hope to organise a disco for later this year]
- Playgroups can resume [with some restrictions re social distancing and signing in]
- Class photos can happen as per our booking for Term 4
- Department for Education support staff and some service providers will be able to enter our school [all adults must complete a site access form at the office and sign in]
- There will no longer be a cap on the number of students in a room but a cap will still apply for adults.

Some requirements remain in place and they include the following:

- It's important that students and staff stay home if they are unwell.
- Physical contact (even between students) must be limited. Non-physical greetings should be encouraged.
- Daily student attendance reporting for all schools.
- School, preschool or early childhood visits to nursing homes cannot recommence.
- The general public should not access school playgrounds or play equipment.
- Parents must continue to physical distance, including at school pick up and drop off.
- Interstate and overseas travel remains on hold.

**Pastoral Care Worker** – The selection process has been finalised and I am pleased to be able to announce that at this stage Julie Randall is our preferred candidate. Thank you to Fiona for being part of the interview panel.

**Mid-Year Reports** - Reports are scheduled to go home on Wednesday of next week, 24<sup>th</sup> June. This is a little earlier than normal and will allow time for parents to contact teachers if they need more information or to discuss any issues or concerns before the holidays. Face to face interviews that were postponed in Term 1 will be scheduled for next term.

**SWIFT internet**- Is scheduled to be activated on Thursday 25<sup>th</sup> June and will provide us with super-fast internet. Even if all phone towers are down we will still be able to access this fast internet as it is a dedicated line to our school. I know teachers and students are looking forward to this!

Principal

## BUILDING ATTENDANCE HABITS

How to help your child build a habit of going to preschool or school every day.

regular evening and bedtime routine and enough sleep

limit the use of electronic devices in the evenings

help your child be organised in the morning to get them to school on time

arrange alternative transport in case something unexpected happens

take family vacations during school holidays

make appointments outside of school hours or in school holidays

talk positively about school

show interest in what your child is learning, their progress and their friends

regularly communicate with your child's teacher
