Room 3 Class Work

Strawberry Smoothie Day

Community Notices

Dear Students, Parents and Caregivers,

As another term comes to an end we look back on all that we have achieved. It certainly has been a busy and productive time.

NAPLAN testing - All students in Years 3, 5 & 7 sat the NAPLAN test earlier in the year. Results arrived recently and all families should have received their child's individual written results. Teachers have spent time with individual students to assist them to analyse their data and set goals for the future. Your child should be able to discuss their data and goals with you. Please don't hesitate to contact your child's teacher if you would like more information or assistance understanding the results.

Swimming starts on the first day of next term for all students in Reception to Year 5. If your child is not using his or her bathers during the holidays pack them in school bags tonight to avoid forgetting them next term. Year 6 and 7 students will be going to West lakes on Wednesday 17th for their aquatics day.

School Photos will be taken on Monday 22nd October. Thank you to the parents who have ordered on-line.

Sports Day is on the second Friday of the term, 26th October and we are all looking forward to having fun, keeping fit and participating on the day.

Transition visits begin in Term 4 for all new students, including new Reception students and anyone transferring to our school. If you know of anyone who is planning to enrol with us please remind them to do so early in the term so they can be included them in the transition visits.

Holidays – As always our school facilities are open for you to use during the holidays. I hope you have a safe and enjoyable break and look forward to seeing everyone next term.

Jill Gurner
Principal

WHAT'S HAPPENED IN ROOM 3 THIS TERM!

READING COMPREHENSION

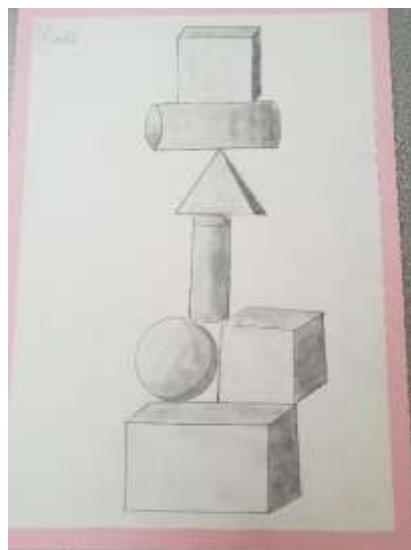

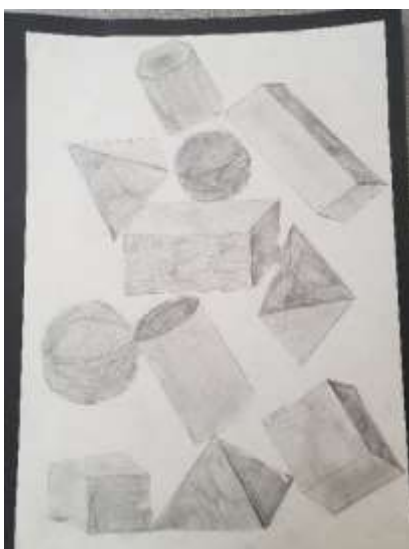

During Silent Sustained Reading in room 3, students are required to respond to their reading in a variety of ways. This term, we have adapted a new approach to sharing with our peers and summarising what we have read. This is through Charades! Students volunteer to stand in front of the class and re-enact a scene from their novel. Peers within the class then take turns to guess what is happening.

During week 9, our focus with Reading Comprehension was Visualising. After reading, students were asked to visualise and draw an image of a scene in their novel. From this, we collated the pieces and joined them to make a 'Honeycomb Story Board' in the classroom.

3D SHAPES AND SHADING

For the past three weeks, room 3 have been exploring 3D shapes and using lead pencil to shade. Our assessment task was to create a 3D shape tower using at least four different shapes and having a total of at least seven shapes on our page. We had to focus on making sure our lines were straight, the shading showed dark, medium and light (with a light source), and our shapes were evenly distributed throughout the page.

Lauren Johnson

Strawberry Smoothie Day

Doing a photo shoot can be hard work, but also a lot of fun, as James and Grace found out on Tuesday. Kerryn, a photographer from The Advertiser came to school and took lots of photos. Did you see the article in Wednesday's Advertiser?

On Wednesday we made Strawberry Smoothies. We heard a lot about needles in strawberries, but we knew that we could still eat them safely! They were yummy.

Ms Gurner helped during the shoot by making us laugh. Kerryn was very professional and she took a lot of photos to get just one to put in The Advertiser. We also raised money for *Hay and Hampers for Hope* to help drought affected farmers.

At Kersbrook Primary School we value Respect, Responsibility, Confidence and Resilience

"How to live positively in a digital world"

Please join us in watching the video presentation of how to live positively in a digital world.

Linda Cranley and Genevieve Johnson provide loads of information, tips and ideas about the benefits and drawbacks of children's technology use and how to balance screen time with learning and development.

Date: Monday the 5th of November
Venue: Torrens Valley Children's Centre

Time: 7pm-8.30pm

Cost: Free

Coffee and tea supplied

Bookings Essential

Please reserve your place with Jayne on 83891335

Please note there will be no crèche available

NETBALL ACADEMY – SUMMER 2018/2019

From October 2018 to February 2019 Taught and Bowled is offering aspiring netballers the chance to be involved in a Netball Academy program. The program is offered to netballers of all abilities from ages 10 to 15.

The program will focus on technical and tactical skill development and progression as well as core strength and fitness. Ideal members will take part in netball specific testing and receive take home programs to improve their ball skills, footwork, balance/core strength and fitness. All participants will receive a training outfit, drink bottle and back pack.

Sessions will be delivered by accredited and experienced coaches who will work with the participants throughout the program.

Three programs are being offered:

PROGRAM 1 – South West	PROGRAM 2 – North East	PROGRAM 3 – Hills
